SENIORS

CLASSES

We, the graduating Seniors, dedicate the annual this year, our last, to Brother Michael Ray.

He is as much a tradition as the tradition of excellent education here at St. Joseph's.

His job is not easy, for he has to prepare young minds for the tougher years ahead.

Youngsters are easily impressed by what they see early in their lives, and, through realization of this idea, he guides his class of boys onward into the future.

DEDICATION

One of the many responsibilities is that of spiritual education of his students.

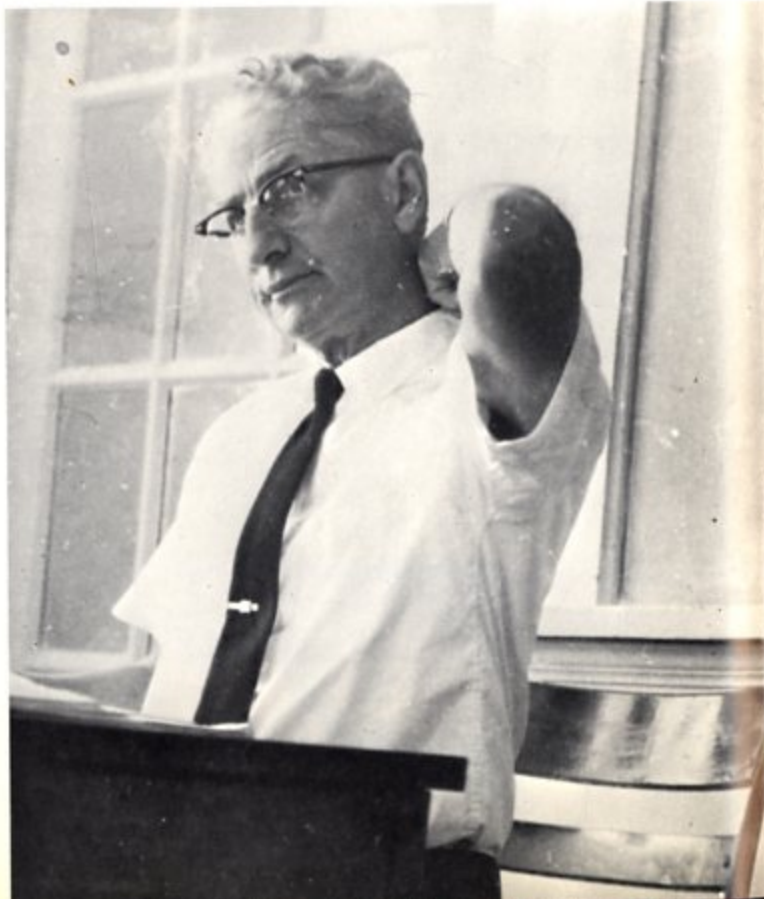

HUMOR

"Every new generation is a fresh invasion of savages."

▷ "The frustrating thing is that the key to success doesn't always fit your ignition."

▷ "Manners are morals - exercises of the body for the sake of the soul."
