Bro. Edward McCarthy

Dedication

The Seniors would like to launch this year's Annual with a tribute to a man who has played no small part in our education at St. Joseph's. Bro. Edward was our religion teacher - Old Testament, to be exact - in our Freshman year; since then he has presided over us in Latin II and American History.

This year Bro. Edward's "thing" was Civics. His pupils included not only the Seniors but also both Junior classes. He rode herd on all three, introducing a great deal of material outside the confines of our textbooks, and even giving us a practical taste of the workings of Government in a unique three-week program of "class participation" instead of mere "class presence."

To this man, then, who has played such an important role in educating us in the world's affairs, past and present, we dedicate the Hilltopper of '69. To Bro. Edward,

The Bro. Edward style:
View from the back of the
room.

Bro. Edward captures the
attention of the whole
class ...

... but turns now and then
to favor an individual.

"Hmph!"

Theme

"Yes, child?"

It's easy to get lost in a crowd these days. Especially when you're one of four hundred other people in a single building. You and everyone else shuffles back and forth from class to class, day after day, week after week. Routine. Or is it? Depends on what you want to make of it. In fact it can be one of the liveliest places around. Our annual has provided some glimpses of what goes on when people are interested enough to participate. We've tried to capsuleize it all in the next few pages: the activities that make just another building with people in it a school ...

... Social —
formal
or
informal ...

Academic ...

. . . Individual
achievement . . .

Contact with
other people
. . . with the
world . . .

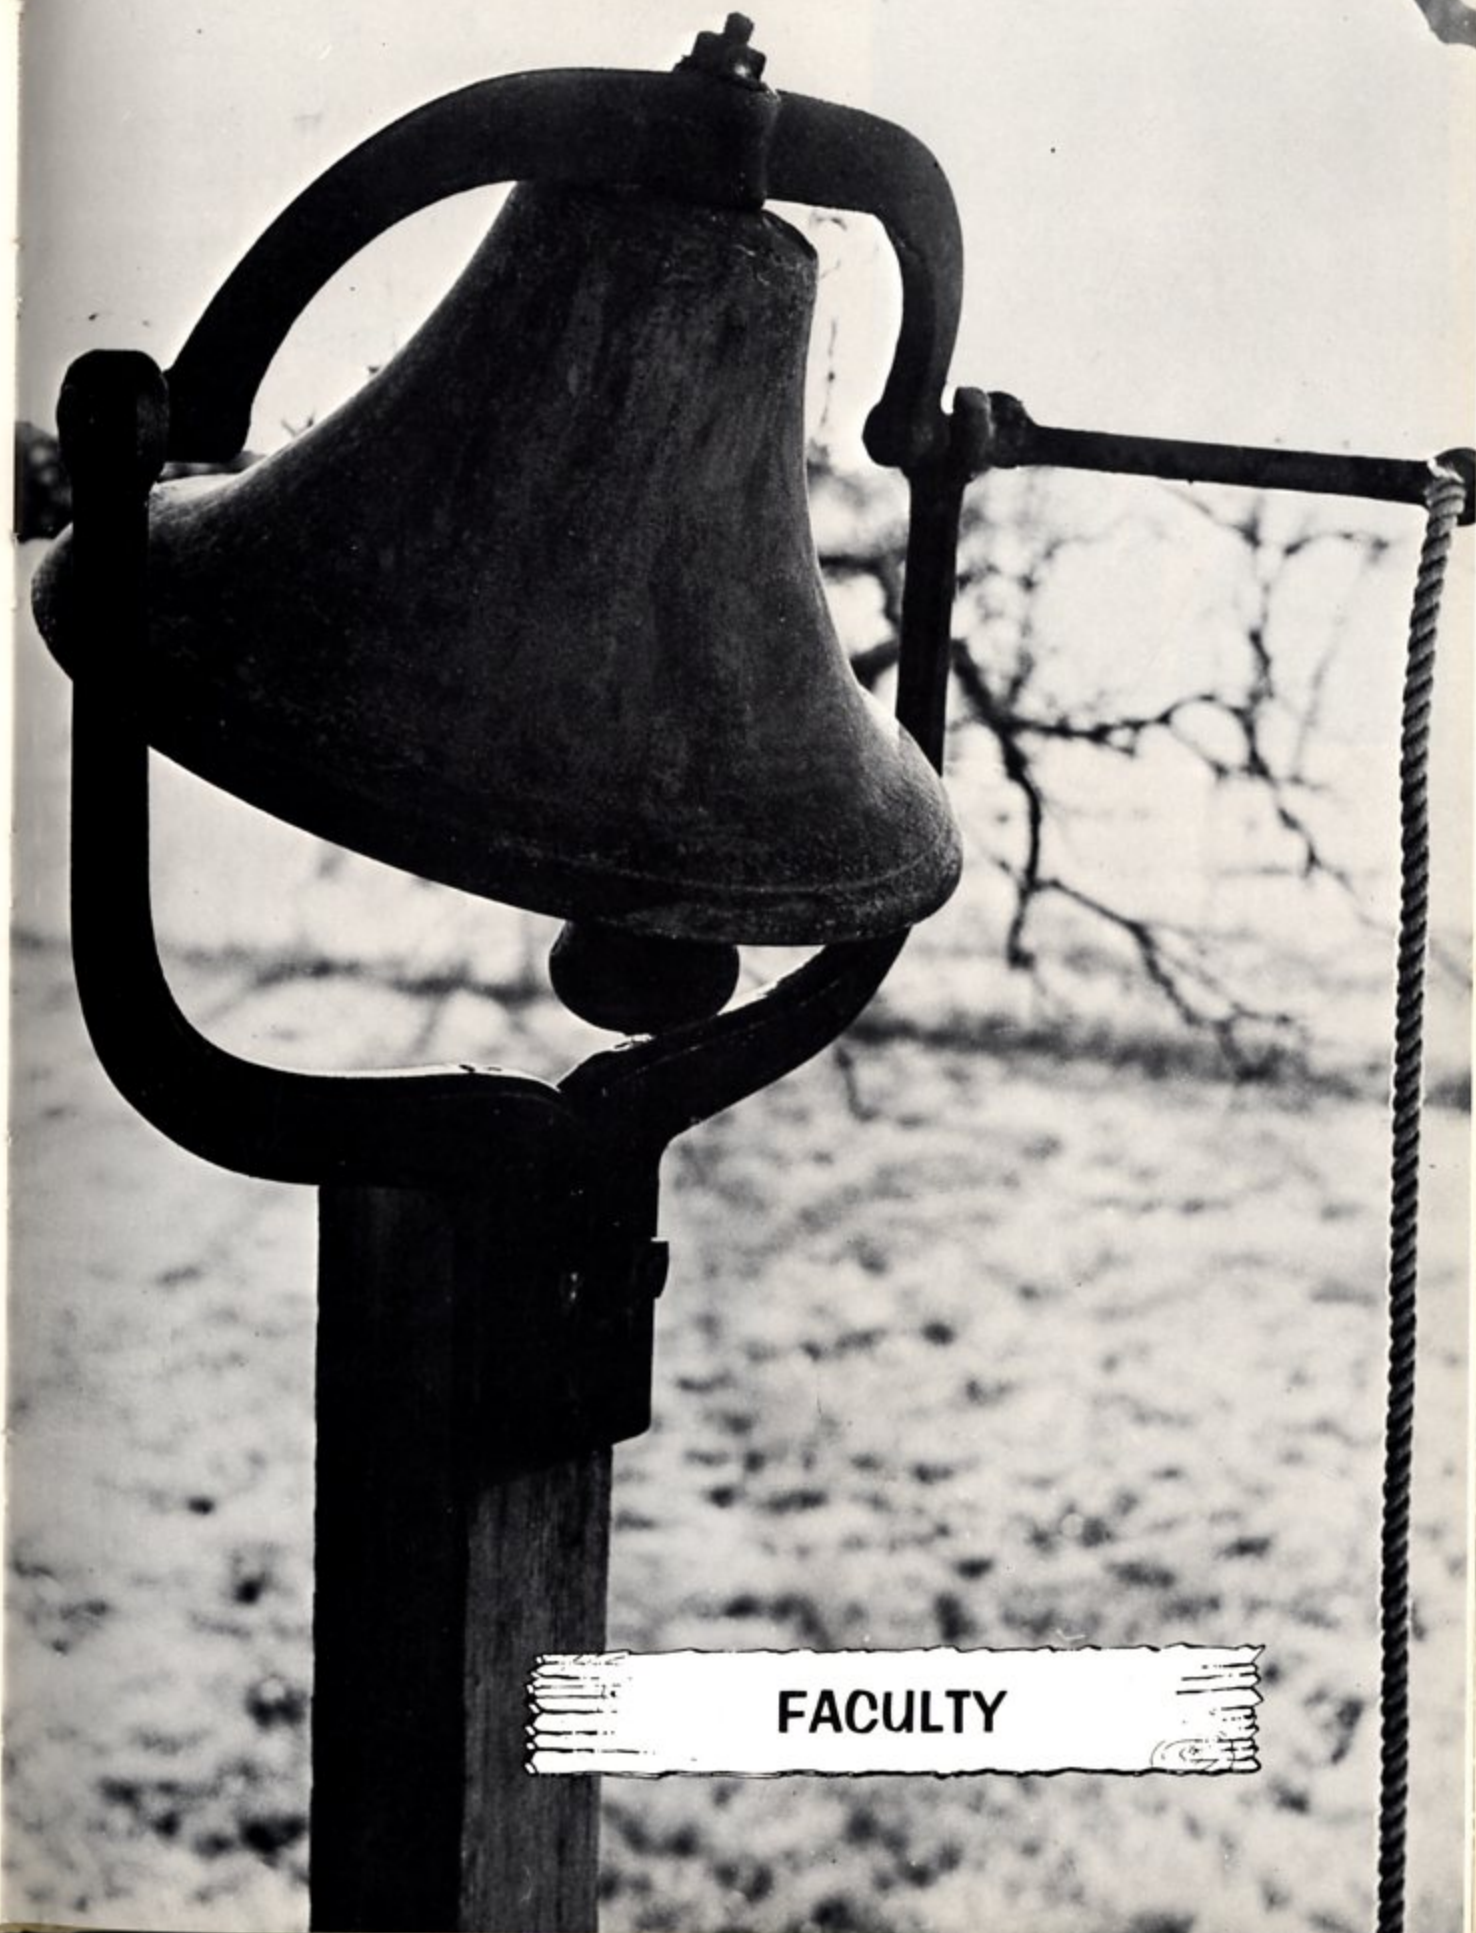

. . . Group
activities . . .

Service . . . often
in little things,
but little things
which add up to
an important
whole: the coop-
eration that
makes society
possible . . .

And now for the details . . .

Brother William Vessels

Climaxing the 1968 Homecoming week was the game with the Bloodhounds and the coronation of the Homecoming Queen. The natural enthusiasm was enhanced this year by the high spirits and pride motivated by our Letterman Club. This club was also responsible for the decorations on the field, and the brilliant job done on the platform. The Antlerettes formed their colorful formation and danced to the music of "Talk To The Animals" to greet the Homecoming Court.

Homecoming "68" will forever be an outstanding highlight of the Antler's 1968-football season and School year. The Student body will long remember the coronation of the Homecoming Queen, Mary Ellen Gutierrez who reigned with the following Duchesses: Diana Trevino, Elizabeth Kurzyn, Irma Pura Garza, and Rosalinda Ruiz.

Homecoming 68

Queen Mary Ellen Gutierrez receives her crown from team captain Arthur Zimmerman.

Duchesse Irma Garza and escort Alex Garcia flank the Royal Couple.

The Grand Finale of the Antlerettes performance is their march up the Stadium Ramp and back to their cheering section.

Track

The '68-'69 version of the St. Joseph's Academy Antler Track Team was one of the most successful in recent years and was just as good, if not better than last year's team. To the excellent coaching of Mr. Adame, we have won two straight - District Crowns and have placed among the three best teams in the TCIL State Track Meet. A strong desire combined with individual efforts the Antlers will win their third straight District Championship.

On the whole the season was packed with thrills and excitement. The Antlers blazed a path of pride and honor as they prepared for each event and accepted the challenge of competition in sports.
