Because we recognize in China an ally of superb courage, because we feel for her long-suffering peoples, and because we admire Generalissimo Chiang Kai-Shek and his dauntless wife, we are using China as the theme of our 1944 "La Pitahaya."

We present on our pages pen sketches of Chinese scenes and characters made by Buddy Key, Doyle Avant, and Alberto Santos and quotations of Chinese thinkers, from the proverbs of Confucius to the memorable words of the "Missimo" in speaking to the American people on our friendship with her country.

For the future, when the Sons of Martin High School have returned from the battlefields of the world, and China is free of her barbaric invaders, we have a sincere hope that the unity brought about between ourselves and China, due to the danger of a common enemy, may not be dissolved.

# The Board of Trustees of the Laredo Independent School District

Mr. Joe C. Martin, President of the Board, serves as Webb County's sheriff. He was educated at St. Edward's University. His hobby is ranching.

Mr. Wm. P. Galligan, Superintendent of Schools, attended Notre Dame, St. Edward's, and the University of Arkansas.

The Board of School Trustees of the Laredo Independent School District is an elective body responsible to the people for the operation and maintenance of the public free schools of the City of Laredo. This board consists of seven members elected alternately every three years. Two are elected one year; two, the next; and three, the third year. Its membership and the years in which their terms expire are as follows: J. C. Martin, President, 1945; M. S. Ryan, Vice-President, 1946; A. R. Moser, Secretary, 1945; B. G. Salinas, 1946; A. Valls, 1946; C. L. Milton, 1944; L. Daiches, 1944.

Meetings of the Board of School Trustees are held on the second Thursday of the month, and called meetings are held when the need arises. Its members function (1) through action taken as a Board at its meetings, (2) through the Superintendent of City Schools appointed by the Board as its executive officer, and (3) through its designated agents acting by virtue of specific authority granted by the Board. The office of Superintendent of Schools is a statutory office created by the Legislature. It has certain duties under the law and certain responsibilities to the State Department of Education and the Federal government, as well as to the local Board of School Trustees. Thus it is that the selection of a Superintendent of Schools is one of the most important functions of the Board. An equally important function is the adoption of the annual budget prepared by the Superintendent setting up in detail the receipts and expenditures of all money available for the operation of the schools for the current school year.

That the Board of School Trustees of the Laredo Independent School District has performed its duties well and faithfully is evidenced by the fact that its members are re-elected without opposition each time their terms expire. In fact they have all served from fifteen to thirty years each. This is believed to be a record in Texas.

#### "L" ASSOCIATION

The "L" Association was reorganized May 4, 1943, for the purpose of building and maintaining better athletic standards in our school.

Regular meetings are held twice a month. Special meetings may be called by the president or by any of the advisers.

To be qualified for membership in this club, an athlete must letter in at least one sport, and he must pass at least three one-half credit courses each semester. Any member who does not continue to pass the required number of courses will be temporarily suspended from the club.

#### PAN AMERICAN STUDENT FORUM

The purpose of the club is to promote a better understanding of our Latin-American neighbors.

"Of one blood hath He made all races," is the motto of the club.

Among its activities, the members take part in programs given by the ladies of the Pan American Round Table.

In its meetings the club studies the history, music, art, and literature of the Latin-American countries.

The 1943 Graduation Dance held in May by the club was one of the school's outstanding social events.

State and National Conventions held in previous years have been suspended for the duration.

#### LIBRARY SERVICE CLUB

The Library Service Club, organized in 1935 by Miss Matilde Glidden, has rendered outstanding service to the students of Martin High.

The aim of the club is to train students in the skills, routines, and functions of library administration which will equip them for library service.

The membership of the club has shown a great increase this year. The students deserve commendation for their splendid cooperation and enthusiasm.

The social phase of the club consists of an initiation party, a Christmas party, and a spring outing.

#### THOMAS ALVA EDISON CLUB

The Thomas Alva Edison Club was organized in 1924 to promote appreciation of the advantages to be derived from a knowledge of the sciences.

Green, which stands for knowledge, and white, the symbol of sportsmanship, are the colors of the club.

Semi-monthly meetings are held by this club in which scientific experiments, the lives of great scientists, and extra-curricular activities are discussed.

Along with its scientific work, the club has various social events, the outstanding being the initiation party.

#### ELLEN H. RICHARDS FUTURE HOMEMAKERS CLUB

We, the members of the Ellen H. Richards Club, are helping to win the war by buying stamps and bonds, by canning, by knitting for the Junior Red Cross, by collecting scrap metal, rubber, fats, and by planting a victory garden.

The main objective of the club this year was to help the war effort. This was accomplished during the Food Fight for Free-

## MARTIN HIGH SCHOOL BAND

The Martin High School Band, under the direction of Mr. Bill Carrico, consists of 94 members, a large number—even though some of the old members were drafted.

Appearing between the halves of each home game during football season, the organization presented a variety of formations and stunts. The band also participated in both school and civic programs.

A successful Victory Concert was presented by the band on March 15.

Other functions for which the band performed were Washington's Birthday celebration, the Border Olympics, Flag Day Program, and Armistice Day Celebration.

Ann Shanks  
Sgt.-at-Arms

Realizing the need for their services, the Courtesy Service Club has more than ever played an important part in all activities this year. First, it has been outstanding in its services at the Bond Booth in school where hundreds of dollars of stamps and bonds have been sold. At each class period, one of the members is present at the booth to sell these war bonds and stamps.

Under the able supervision of their new sponsor, Mrs. Harry Andrews, the Courtesy Service Club has rendered their services at football games, Civic Music concerts, assemblies, registration, and other places where a school representative may be needed. At the beginning of the Fall Semester, the girls took a very active part in the Tuberculosis Drive and in the selling of poppies on Armistice Day. Seven members took part in a play presented at the USO on Christmas Eve. During the Fall Semester, the girls worked over 3500 hours in connection with club activities.

The Courtesy Service Club was organized in 1934 to render service to Martin High School and to the citizens of Laredo, to promote a feeling of good fellowship and cooperation, and to stimulate higher ideals among our girls.

Membership consists of girls selected for their dependability, ideals, character, sportsmanship, loyalty, and attitude towards their school, their work, and their teachers.

Club membership is limited to twenty-four girls and only sophomore and junior girls may enter, though seniors and post-graduates may continue their membership. Each nominee must have the approval of a majority of the faculty and must not be rejected by more than one.

## MARTIN HIGH SCHOOL PEP SQUAD

A truly inspiring sight at all major functions is our famous Pep Squad. Precision marching with smooth cadence sets off the traditional red, white, and blue uniforms to the best possible advantage. At every social event, not under the supervision of another organization, the Pep Squad takes an active part.

Organized only two years ago for the purpose of rendering service wherever possible, this organization has made amazing strides under the sponsorship of its able director, Miss Ruth Young.

The idea of rendering service was emphasized by the Pep Squad's participation in the Tuberculosis Drive and the selling of poppies on Armistice Day to aid the disabled war veterans.

Homage to the Tigers was the underlying theme of the dance sponsored by the Pep Squad on January 20th. Another clever party is their sunrise breakfast held in March. The climax of the year is, however, the annual banquet held in May. At this function new officers are inaugurated and assume their duties with the well wishes of their predecessors.

## JUNIOR LULAC COUNCIL

Although the Junior Lulac Council was recently organized, much progress has been shown.

To make better Americans is the purpose of this organization.

Students must be of Latin American descent, United States citizens, and must not be older than eighteen years of age to be members.

Bertha Prieto was elected Club Sweetheart and was presented before the club and some members of the Senior Lulac Council, on February 14, Valentine's Day.

"God Bless America" is the official club song, and "Unity and Equality" is the motto.

## MARTIN HIGH SCHOOL JOURNAL

Perhaps the peak year of the Journal came in 1943, when the paper won All-American in the National Scholastic Press Association, and took second place at the Interscholastic League Press Conference in Austin in May, with Patricia Brennan and Santiago Sanchez composing the journalism team.

Patricia got first place and Santiago second in copyreading, while Patricia received third in editorials and second place for individual contestants.

Another project that put the Journal on top was the football concessions, which not only solved the problem of finances but made possible a \$43.40 donation to the Tuberculosis Sanatorium.

Commendation from the N. S. P. A. on the paper's journalistic contribution to the war effort was also received.

# ATHLETICS

## ATHLETIC BIGWIGS

VERSATILITY—one word that describes Prof. Garza, a four-sport letterman in college, he then took up coaching at Hebbronville before coming here to coach at Christen. Two years ago, he became mechanical drawing and history teacher in Martin High. At the present, he holds both a master's and a bachelor's degree.

Mr. Garza is also sponsor of the Jr. Lulacs.

Since his arrival here, he has become very popular among the students.

GEORGE J. GARZA

Although this is but Coach Parker's first year in Laredo, he has already done much in the development of a satisfactory athletic program for the school.

In Shreveport College he starred in two sports—football and baseball. There he also earned his bachelor of science degree.

Besides his duties as athletic director, Coach Parker takes time off to do some sports announcing over the radio. Hunting and fishing are his hobbies.

D. P. BARROW

A graduate of North Texas State Teacher's College where he lettered in football and basketball for two years, Mr. Barrow is now aeronautics and math teacher in Martin High.

Mr. Barrow has been very active in civic affairs. He has a genuine interest in boys and has done much in the field of Boy Scout work.

An enthusiastic sports fan, his chief hobbies are hunting and fishing.

# PIGSKIN REVIEW, 1943

1ST STRING

2ND STRING

3RD STRING

With a new coach at the helm, Martin High gridsters rounded out another season's play which saw them pit their forces against ten adversaries. Of these ten encounters, Coach R. W. Parker's Tigers came out on top in three, lost six, and tied one. Most important of all, they are no longer district doormats, having presented San Antonio Tech with this dubious honor.

The team started out the season with ten returning lettermen and some squadmen. However, they were handicapped by the fact that there were very few substitutes available.

Never once in any encounter, whether they were on the long or short end of the score, did the Bengals quit fighting. Although outweighed in every game, they managed to chalk up scores in six of them.

LAREDO 12, BENAVIDES 13

Although outplaying their opponents, the Tigers were nosed out 13-12 by the strong Bena-

vides Eagles, who managed to score twice in the last eight minutes of play. The Cats held a 12-point lead up to this time. Both Laredo scores came on line plunges made by Bobby Leary.

LAREDO 7, BROWNSVILLE 7

Staging a sensational last-minute uprising of their own, which was climaxed by a spectacular scoring play, the Tigers were able to deadlock the game at 7-7, and consequently defeat the Brownsville Eagles via the penetration route. Capitalizing on a break made possible by a blocked punt, Laredo took possession of the ball on the Eagle 20. A pass from Leary to Jack Magnon netted the Cats their lone tally.

LAREDO 0, KERRVILLE 34

Making their 1943 district debut, the Martin High Tigers were soundly trounced by a Kerrville aggregation, 34-0. Scoring in the first few seconds of play, Tivy High's Antlers were never headed after that.

LAREDO 0, JEFFERSON 48

Next game on the slate was with the district champion Jefferson Mustangs. The Ponies just had a bit too much speed and weight for the Cats and ran over them to the tune of 48-0, in a tilt that developed into a one-man show by flashy little 145-pound Perry Samuels. The lightning-fast halfback, who started out the season as a sub, accounted for no less than five Jefferson touchdowns against a reserve-shy Laredo eleven, which stood amazed while Samuels ran rough-shod through the line whenever and wherever he pleased. However, the Tigers displayed the traditional never-say-die spirit of previous Laredo teams, and never quit hustling throughout the contest.

LAREDO 0, AUSTIN 27

After taking a week's rest the Cats played host to last year's state champs, the Austin Maroons. The Bengals played an inspired game against the heavier, more experienced Capital City boys, who scored in every period except the second. Laredo outplayed the former state champions, who were befuddled many a time by tricky Laredo pass plays. All in all, the Bengals were able to gain more first downs than the visitors. Leary, Hunter, and Sepulveda stood out on the offensive for the Tigers, while Forrester, Allen, and Rogers shone for Austin.

knifed through right tackle, cut back to his left, and by exhibiting a sudden burst of speed outran the Tech secondary to score standing up. The last score of the game was a result of a Leary line buck which netted one yard and a touchdown.

The contest ended with the Bisons trying desperately to overtake the Bengals by throwing many long, inaccurate passes to well-covered receivers.

and then coasting in to victory. Both teams used substitutes sparingly.

The Laredo tally came in the last stanza. After advancing the ball to the Pirate 25-yard line on a concentrated aerial attack, Frank Leyendecker, second string quarterback at that stage of the season, tossed a pass to Domingo Arechiga, who lateraled to Warren Browning, who in turn went on to score. Arechiga plunged over the center of the heavy Corpus line for the extra point.

LAREDO 13, S. A. TECH 0

Spurred on by the hearty cheering of the student body, the Tigers established themselves emphatically as serious threats in coming games by upsetting the bewildered San Antonio Tech Buffs 13-0 at Shirley Field on Oct. 29. Both teams were battling hard, for to the loser would go the dubious distinction of being District 15-AA doormats for 1943. Continually outplaying their guests the Cats were able to chalk up their first conference win in two years.

The first Tiger score came on the first play of the second quarter when Waydell Hunter

LAREDO 7, CORPUS CHRISTI 52

A powerful Corpus Christi juggernaut rolled over the Martin High Tigers Nov. 5, handing the Cats their fourth district setback of the year, by a 52-7 score.

From the outset it was apparent that the Bucs' bone-shattering blocking and skillful combination of power and deception was just a bit too much for the lighter Tigers, who never ceased hustling even though the chips were stacked against them throughout.

The Pirates scored in every quarter, garnering 20 points in the first period,

LAREDO 41, CENTRAL CATHOLIC 0

Featuring Domingo Arechiga and Waydell Hunter as the big guns on the offensive, Laredo chalked up its second win of the season Nov. 12, by trouncing an outclassed Central Catholic Button eleven 41-0 at Shirley Field. a rapidly deteriorating Central Catholic team.

Waydell Hunter bade high school a fancy farewell by accounting for three touchdowns and two extra points. Domingo Arechiga broke through for several dazzling runs, tallying two touchdowns, one a 40-yard punt return in the third period.

The subs took to the field, and, led by the shifty running of Clifford Gray and Frank Leyendecker, they drove downfield to the Button 10-yard line, from where they tallied on a pass, Leyendecker to Juan Villareal, to notch the count at 41-0.

LAREDO 7, BRACKENRIDGE 53

Tiger stock sky-rocketed following their decisive trampling of Central Catholic, only to take a meteoric dip after their tilt with the strong Brackenridge Eagles. At first the teams seemed evenly matched, but the Birdmen turned on the heat all through the game to cop a 53-7 victory. In the second period, the Tigers managed to notch up their lone marker on a pass from Leary to Roberto Garcia.

LAREDO 39,  
CORPUS CHRISTI ACADEMY 0

A post-season benefit game was scheduled for the following Friday against the Corpus Christi Cavaliers. The Tigers concluded their season by crushing an impotent Cavalier eleven to the tune of 39-0. In doing so they helped contribute \$608 to the Webb County Tuberculosis Sanatorium in Laredo.

Led by galloping, hard-driving Domingo Arechiga, who accounted for no less than three tallies, the Cats poured it on from the beginning and never let up, to win easily.

Three returning lettermen formed the nucleus of a Tiger basketball team that enjoyed both victory and defeat intermittently.

Due to transportation difficulties, the basketeers made but one trip all season—to San Antonio for the District 15-AA tournament on Feb. 10-12. In the meantime the Bengals tuned up for the district race by competing against top-notch teams from the L.A.A.F. and local high schools which formed the City League. Composed of 16 teams, the City League season lasted exactly one month. The Tigers broke even, managing to win 5 out of 10 games, while their little brothers, the "B" squad Kittens, registered one win as compared to seven losses.

In the first game of the newly-formed City League, Laredo lost a heartbreaker to its cross-town rival, St. Joseph, in the last few seconds of play by a 25-24 score. Handicapped by the loss of two regulars via the foul route, the reserve-shy Cats could not cope with the strong finish put on by the resurgent Antlers. A few days later, however, the Tigers returned the compliment by downing the Academy boys in their home court by a 22-21 score. Displaying a sound defensive game coupled with some field goals at the right moments, the Cats proved to be too much for the slower Antlers. All in all, a total of four games were played

against St. Joseph, with the nod going to them by a three-to-one count.

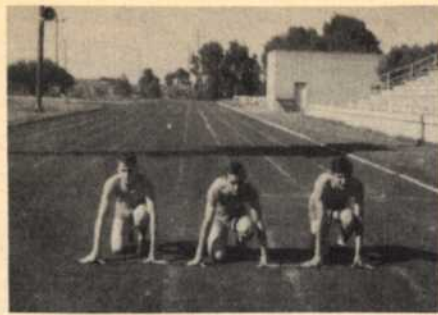

Probably reaching their peak in mid-season, the Tigers captured six out of nine tilts at that stage of the campaign. Showing vast improvement from the beginning of the season, Martin High's cagers trounced a strong 1025th team from the L.A.A.F. 42-36, in an over-time contest. The Tigers' fast break proved to be a valuable weapon since it served a two-fold purpose of tiring out the opposition as well as accounting for most of the Tiger scoring.

Avenging a football beating at their hands, the Cats administered the Benavides Eagles a decisive 24-16 licking at the school gymnasium. The Eagles, who were still to become regional champions in their class, held the Bengals to a standstill for two periods. Employing a modified zone defense which confused their opponents, the Eagles used their height to advantage to hold the upper hand in the first half. However, the Cats changed their strategy in the fourth quarter and resorted to their ever-

# BENGAL NETTERS

Standing: Wayland Augur, Coach George J. Garza, and Rodrigo de Llano.  
Kneeling: Vernon Bailey.

Always a credit to the school, Tiger netters have continually been winning district honors for the past five years. This year's team looms as the state's best balanced squad.

Last season's racketeers, Jack Preston, Waydell Hunter, and Rod de Llano, were beaten by teams that went on to win the state crown at Austin.

Rodrigo de Llano, currently ranked No. 6 in the nation and No. 1 in Texas in Boy's Singles, promises to go far this year in Interscholastic League play. A four-year letterman in tennis, De Llano will encounter very strong

opposition from Ed Ray, the possessor of the Texas Junior championship, at the Regional Meet in Kingsville.

Making up the doubles team are Mac Irvin and Vernon Bailey, both boasting of previous tennis experience. With a little improvement, they should make a strong bid for Regional honors. In Wayland Augur, they have a reliable alternate.

Due to the fact that we are now going to press (March 31), we cannot give you the results of this year's team, but they promise to be encouraging.

### "Good Light Is Cheap"

SAYS PROFESSOR R. KILOWATT

"All good students know the value of PROPER LIGHT in insuring good seeing, but many people do not know just how CHEAP good light really is!" exclaims Ready Kilowatt. "For instance, you can burn a 100-watt lamp two hours for only 1c, at average C. P. and L. rates. At study, or for reading or recreation, insist on good light always."

# To the FUTURE

As the thrills and excitement of a football game die away when the game is finished . . . so it is with war.

This terrible struggle our nation is now undergoing will one day come to a victorious close, and with it the world will return to normal . . . a better, more freedom-loving place to live in than ever.

Your education will be America's mainstay. You will find your place in *her* future through your knowledge.
