LA PITAHAYA

Charlie.

11-17-63

I really missed knowing you as soon as all the other ABC members did. But Dad pulled me in on every thing! I'll always remember the great and sunning times we have had over at the ABC - we have got to get everyone together again! We can not let everyone divide up like they are now. Charlie we must do something!

As Ever.

NEW WORD

Only in the past few decades has any sizable progress in the field of science been made. One of the outstanding factors of this development has been the emphasis of science in the high school. The young student in science class may have in his mind the germ of an idea that will greatly change man's concept of himself and his universe. The countless others who have a professed devotion to science play a major role in its development. They are recognized for the many benefits that mankind receives from their efforts.

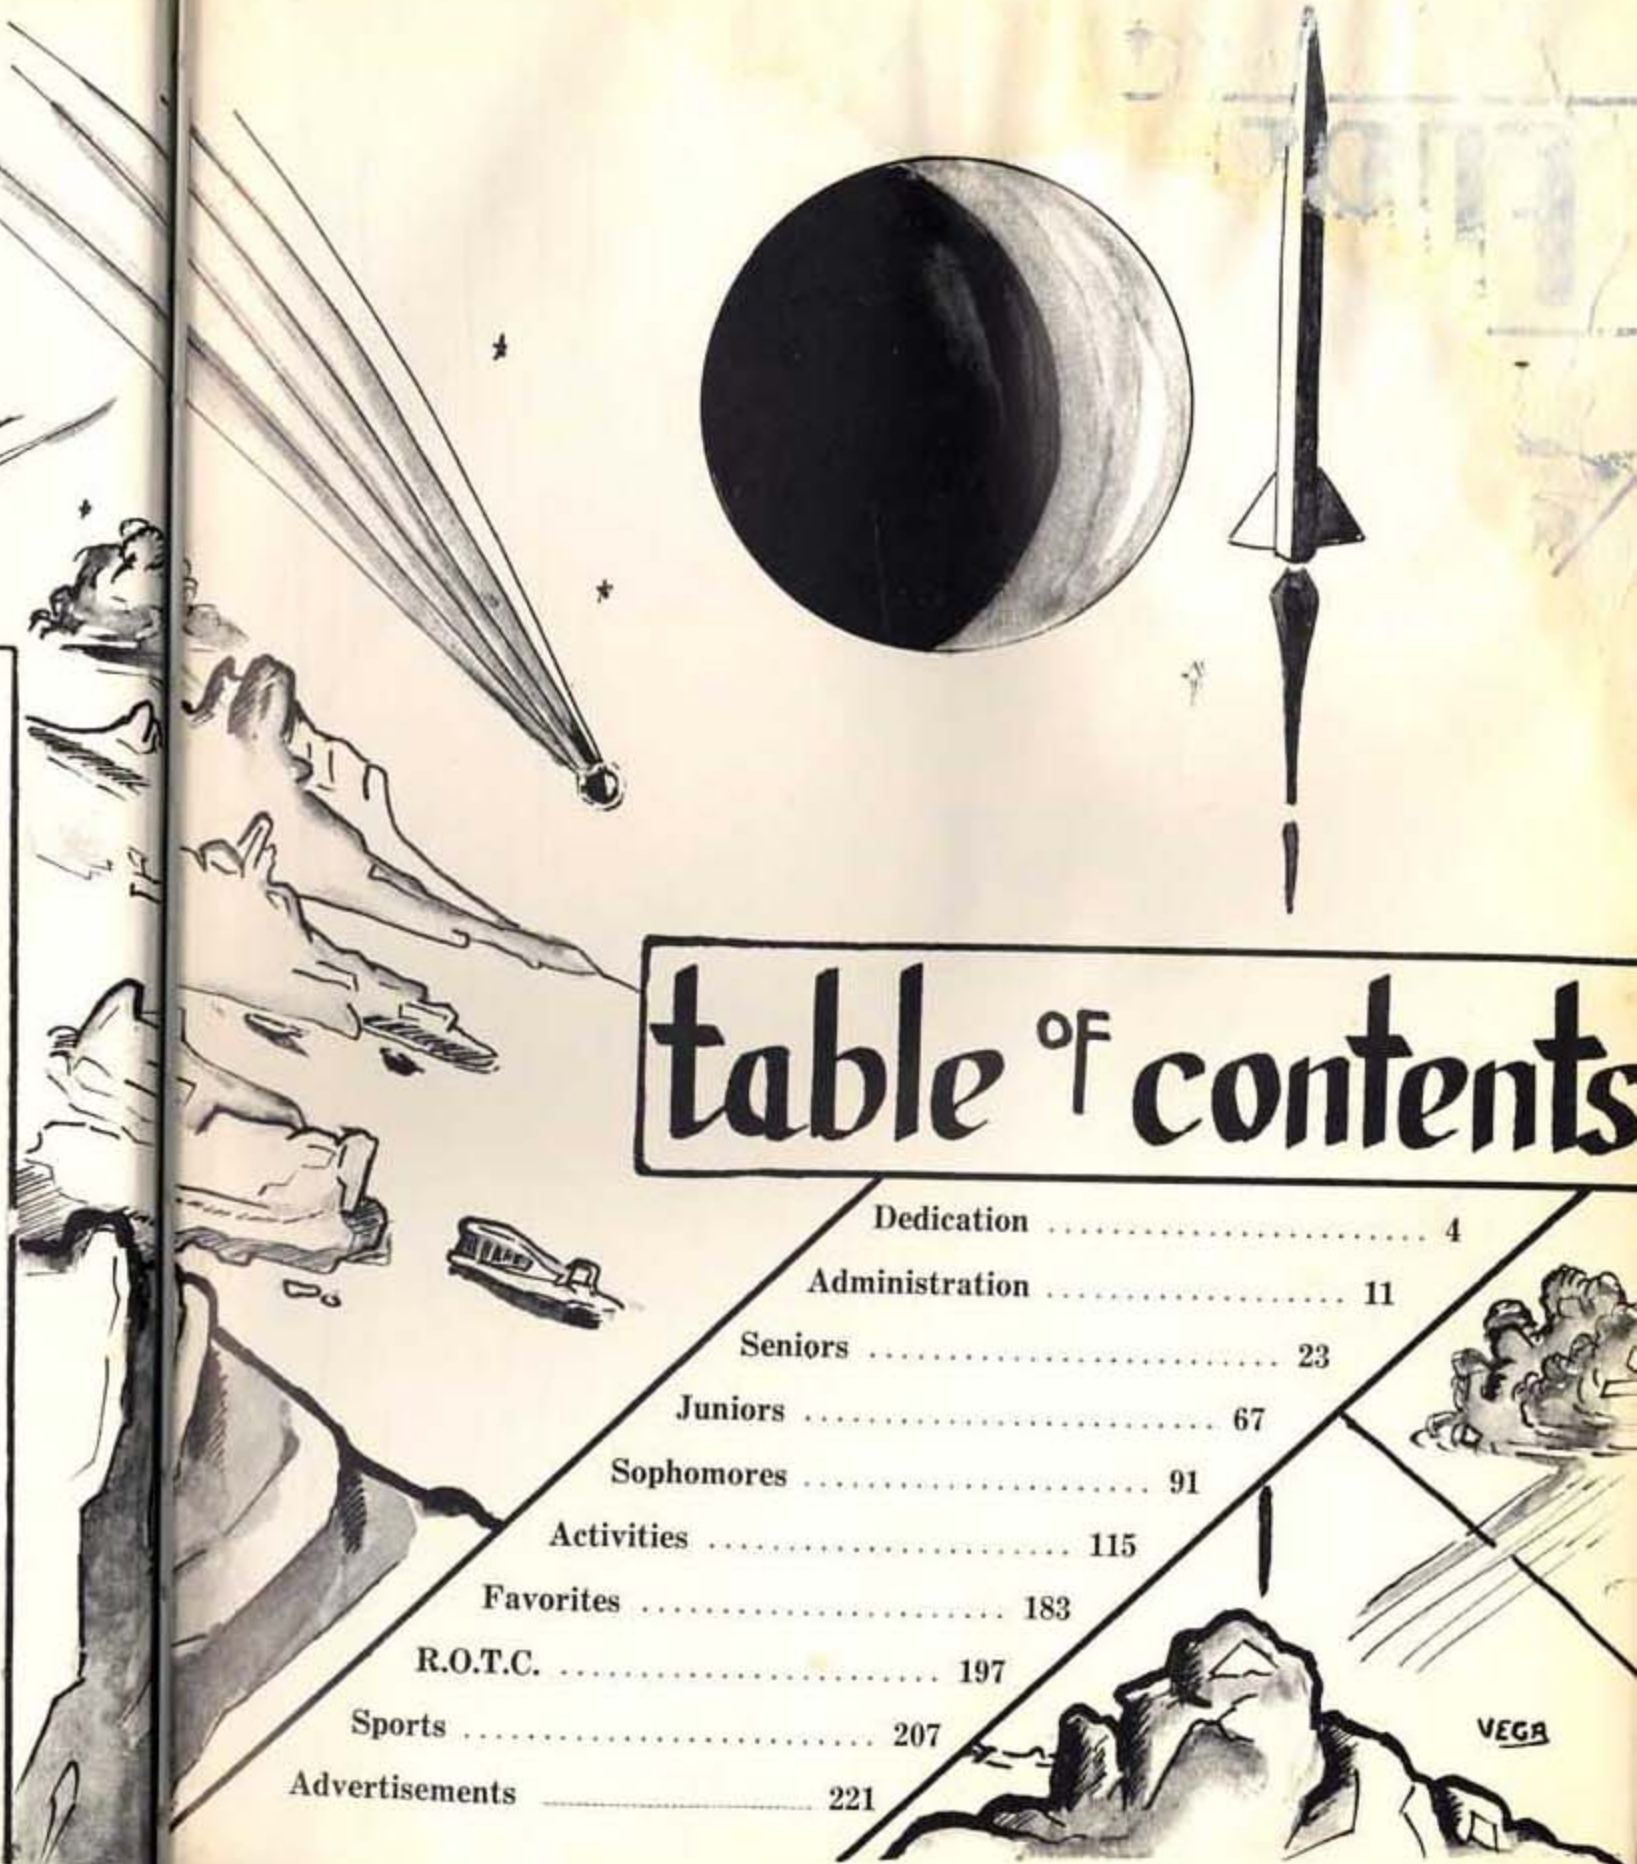

This year, La Pitahaya wishes to illustrate the scientific program of Martin High — the teachers who make it what it is now, and the pupils who will make it what it will be in the years to come.

The Annual staff brings you the 1959 La Pitahaya, sincerely hoping that what has been learned or experienced in M. H. S. will offer many happy hours of reminiscing.

ADMINISTRATION

Mrs. Josephine Baird, president of the Faculty Club, gives Mr. J. W. Nixon, Superintendent of Schools, a gift from the Martin High Faculty at a

meeting held after school on Monday, December 22, in the library.

Saturn, sketched as it is seen from one of its moons, is the second largest planet in the solar system. Saturn, which is studied in general science, is the only planet to have rings made up of pieces of its moons.

INDEPENDENT SCHOOL DISTRICT SPONSORS BUILDING PROGRAM

Directors of the Laredo Independent School District points with pride in the progress in providing the needed educational facilities for the growing city, states J. W. Nixon, Superintendent of Schools.

The district is in the midst of its second building program within the past few years. Completed additions to the Ryan Elementary School and Lamar Junior High School

Under construction are additions to Christen Junior High and Martin High School, as well as new schools being built in the Santa Maria area, the new Sanchez School, and the new Montrose School.

Besides his work in Laredo, Mr. Nixon has served on the Hale-Aiken Committee on Education, which evidences the fact that he is highly thought of in the field of education on a state level.

Savings have been realized during this building program, which have allowed another new school to be budgeted. The new school will be located in the northeast section of Laredo. A new residential type homemaking cottage is in the planning stage for Martin High School.

"New modern school buildings do not in all cases reflect good teaching," stated Superintendent Nixon, "for good teaching and good teachers have made our little one room red schoolhouse of yesterday a laboratory of practical and wholesome knowledge; however, I am of the opinion that the professional quality of our teachers and the adequacy of our teaching is better than ever."

R. P. ST. JOHN

Principal of
Martin High
School

R. P. St. John, with five years as principal, still keeps his ready wit, his easy smile, and his genial sense of humor in spite of the demands of his position. One demand is that of attendance at school functions. Here he and Mrs. St. John attend the Senior Review held last spring. The rain came, and from the protection of an umbrella, they watched the R.O.T.C. Cadets pass in review.

Miss Chamberlain's English classes compete in arranging their bulletin board. Here Dora Juarez, Hortencia Leal, Josefina Ramirez, and Alicia Hinojosa pose with their poster.

M. H. S. Students Go to Class

Visiting the art class, one finds Juan Vega, annual editor, photographer, and artist, having a conference about one of his paintings with instructor Joe Lozano.

In geometry class we find Gilberto Gonzalez proving by constructing proportional triangles that the chord of a circle is equal to its arc.

Ercilia Vela, with Gloria Flores and Hermilida Ramirez (blocked from view) proves that the area of a parallelogram is equal to the product of its base and its altitude.

Here Alberto Ballesteros, John Cowl, Michael Stern, contestants in number sense, learn some math from geometry teacher, Mrs. Watkins.

Physics students under Mrs. Josephine Baird perform an experiment to find the heat fusion of ice. Students in the group are Mike Craig, reading his math calculation; Robert Guerra and Javier Valdez, checking the temperature. Gilberto Gonzalez and Pablo Guajardo observe while Juan Vega measures its specific gravity.

Juan Rossel, Thelma Porras, Rafael Hernandez, Pedro Guajardo, Rosario Dominguez, in foods 2.2 under Mrs. Norma Brady, learn to make biscuits.

Some girls interested in a nursing career were given an opportunity to be interviewed in the cafeteria by nurses from Corpus Christi. The girls who choose nursing for the future are Rosario Limon, Duvina Idrogo, Carmela Gonzalez, Sylvia Garcia, and Velma Pena.

Eduardo Martinez, Juan Herrera, James Stewart, Carlos Mejia, and Gloria Palacios complete their experiment in physics.

We visited the Journalism class, which is taught by Mrs. Jane McNabb. Irma Ortega and Arturo Vela type news items for the December issue of the Journal. This class learns the theory of Journalism, and it also serves as a laboratory for students to do practical work for the M.H.S. newspaper.

sophomores

Biology is open to sophomore students at Martin High School. In this course one of the projects suggested is the collection of sea shells, such as those pictured, the coquina, the turban shell, and the murex.

Sophomore officers visit the biology laboratory. Charles Bruni, sergeant-at-arms; Francis Chamberlain, secretary; Amina Ramirez, president; and Rosita Salazar, parliamentarian, work dissecting frogs. Other officers observing are Dickie Hansen, treasurer; Albert Czar, sgt.-at-arms; Ida Moran, historian; and Carol Katz, reporter.

Richard Russell, Mrs. Elizabeth Sorrell, and Powell St. John get the Seniors in line to get their pictures taken.

"Who's next on the list?" asks John Cowl, as Editor Juan Vega checks the sophomore list.

SIXTEEN HUNDRED PHOTOGRAPHED OCTOBER 10, 1958

"Want your pony tail to show, honey?" asks Mr. Herr of Olga Pina.

Javier Valdez waits to have his picture taken by Mr. Herr, a professional photographer from Corpus Christi, as Francisco Molina waits in line, and John Cowl looks on.

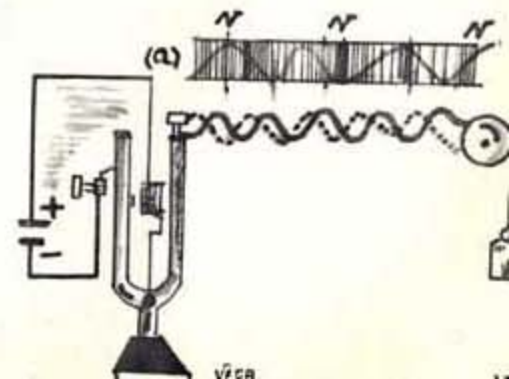

ACTIVITIES

Drum Major James Cole is preparing to bring the Tiger Band on the field during a half-time performance at the Lanier-Tiger game on Shirley Field.

Some of the members are Jaime Ward, Abraham Evans, Jose Espinoza, Antonio Vigil, Margarita Rodriguez, Roberto Ramirez, and Ricardo Pina.

Sound is one of the subjects studied by physics students. Here we have a diagrammatic representation of different stages of standing sound waves.

Something new has been added. Queen Sarah Meade is the first prom queen to be given a bracelet. Arturo Meraz, president of the class of 1958, adjusts it.

Tall and blonde as a Nordic goddess, Sarah Meade made an outstanding queen of the "Court of the Amicable City," the 1958 Junior-Senior Prom. Here she advances toward the stage. She is flanked on either side by the honor guard, consisting of Cadet Sgt. Frank Perez, Sgt. Frank Herbst, 1st Lt. Jackson Moss, Sgt. Israel Gonzalez. Jimmy Mayo, Billy Mayo, and Horace Watson, sons of ex-Martinites, serve as train-bearers.

Duchesses and ladies of the court of the Amicable City, with their dukes in the background, watch the program along with the newly crowned queen, Sarah Meade, and His Excellency Arturo Meraz, president of the 1958 class.

Willie Jasso, as Arch Duchess of Romance, escorted by Jose Valadez, proceeds down the ramp built specially for the Prom.

After the coronation and program a Grand March took place. Passing in review are Willie Jasso, escorted by Jose Valadez, and Diana Salinas, escorted by Oscar Salinas.

"On with the dance," commanded the Queen and here the following couples obey: Jose Valadez with Willie Jasso, Bobby Benavides with Patsy Mendoza, Arturo Meraz with Sarah Meade, Jimmy Young with Elaine Wright, Sara Dee Heck with Leonard Netzer, Mary Lou Kahn with Charlie Dickinson, and Carolyn Atkins with Tom Latimer.

SARAH MEADE REIG
AS QUEEN OF
1958
PROM, APRIL 26, 1958

"What's so funny?" Mrs. McNabb asks as Arlene Whitenton, Angela Salas, Peggy Campbell, Elizabeth Krowetz, Beta Kazen, and Angelica Gutierrez "laugh it out" inside the Kahn's loggia during the Annual and Journal Picnic.

Five big pals—Hector Elizondo, Adolfo Cantu, Dick Palacios, Sam Moreno, and Dick Garza—enjoy the senior picnic while perched on a convertible.

Juan Vega, Pancho Molina, and Bobby Benavides paddle hard across the lake at the Kahn's Ranch during the Annual and Journal Picnic.

Sarah Meade plays a wild game of checkers while surrounded by a group of admirers.

Girls in pedal pushers show the boys what they can accomplish during a volley ball game at the Senior Picnic.

Tending the record player, Felipe Mendoza, Arturo Meraz, Armando Garcia, Cesar Gutierrez, and Juan Gutierrez listen to "Tequila."

Ciprianita Sanchez tells an interesting story to Arturo Meraz, Eliberto Villarreal, Margaret Kunze, and Armando Garcia.

The mighty Seniors sit down and enjoy an outdoor meal of barbecue and beans at the Senior Picnic.

"That's really great," Arturo Meraz tells Felipe Mendoza as he adjusts the record player.

Richard Russell and Alvaro Garza display what the well dressed gentleman wears in the country—Bermuda Shorts. The wood nymph is none other than Olga Ramirez.

SPRING BRINGS PICNICS FOR MHS STUDENTS

Basting under the good old Laredo sun during registration day is a portion of the Junior Kingdom.

"And there are some more coming," says principal St. John to our registrar, Mrs. Antonia Winters, as they prepare for another ordeal.

Gloria Palacios and Linda Meade direct students, thus making registration run smoothly.

Olga Gomez confers with Miss Guadalupe Cabrera, our counselor, about her schedule.

Elisa Montemayor, Gwen Goodwin, and Mrs. De Tournillon surely give the impression that registering students is fun.

Student Council members served coffee, doughnuts, and cold drinks to faculty members during registration. Here Rose Million, Jan Ibanez and Sandra Jasso enjoy being hostesses.

Mrs. Antonia Winters, registrar, has a quick lunch during the rush.

Courtesy Service Club girls helped the faculty in the registration. Arlean Whitenton and Diana Sanchez sort yellow class cards. Miss Elia Montemayor works in the background.

M. H. S. BULGES WITH 1785 STUDENTS

Miss Maria Gonzalez, Miss Luna Allred, Mrs. Dorothy Stephens fill out schedule cards.

Faculty members Mrs. Emma Valle, Laurence Matthews, and Mrs. Vicke Rodriguez issue books at registration to Teresa Vaquero, Julia Solis, Hilda Mosqueda, and Tomasita Diaz.

ROBERT E. LEE CHAPTER
OF THE NATIONAL HONOR SOCIETY
ENCOURAGES SCHOLARSHIP

Organized on December 27, 1954, the Martin High School Branch of the National Honor Society encourages scholarship by each year giving a \$25 scholarship on Awards Day. Last year's award went to Thelma Herrera. In the past Ramsey Cronfed, David Lopez, and Joy Wright have been the recipients.

Money to finance this award was raised by a "white elephant" sale at the Jolly Jamboree, also a sale of personal cards to be enclosed in graduation invitations.

Another effort to encourage scholarship is the picnic held each year in May to honor all honor roll students.

Officers of the National Honor Society are: standing, Estela Diaz, president; Jose Valadez, secretary; Gloria Palacios, reporter; Guadalupe Villarreal, vice-president; Angi Volpe, treasurer. Sitting are Carlos Mejia, parliamentarian, and Linda Meade, historian.

First row: Duvina Idrogo, Graciela Cantu, Maria Teresa Garcia, Estela Diaz, Mary Deutsch, Beatriz Alaniz, Berta Carrillo. Second row: Diana Cardenas, Graciela Campos, Marta Benavidez, Vilma Gutierrez, Berta Carrillo, Elizabeth Anderson. Third row: Sylvia Chapa, Carol Carpenter, Sylvia Adame, Delia Almazon, Ro-

Fifth row: Alberto Ballesteros, Antonio Cantu, Pedro Lara, Juan Herrera, Bill Ellis, Alfonso Alarcon. Sixth row: Charles Loyd, Frank Semmelmann, Guadalupe Villarreal, Robert Lewis.

Membership in the Society, according to Miss Lela McKinley, sponsor, is based on the following rules:

1. Membership is based on scholarship, service, character and leadership.
2. To be eligible for membership a student must be a member of the Junior or Senior Class, have been in M.H.S. two semesters, and have a scholarship average of 85 per cent or above.
3. The number in the society is 15% of the Senior Class enrollment. Ten are juniors, and the rest seniors.
4. Each junior high school selects three outstanding members who are probationary members during the sophomore year in high school.

Miss Lela McKinley attended the faculty party held in late October. She acts as sponsor of the National Honor Society. Miss McKinley teaches trigonometry, solid geometry, and algebra.

First row: Gloria Palacios, Marta Sanchez, Elsa Diana Martinez, Arlean Whitenton, Mary Moore, Maria Teresa Medinilla, Angela Salas. Second row: Lupita Salazar, Linda Snow, Duvina Moran, Linda Meade, Angi Volpe, Diana Sanchez. Third row: Irma Nova, Berta Alicia Mar-

The school year 1958-1959 was a busy one for the Future Teachers of America. One of the innovations was a new sponsor, Miss Angelina Acevedo.

At commencement the club awarded a scholarship to Laredo Junior College. The group helped the school by their "Teacher Aid" and also by providing substitutes for teachers. They also sponsored the Theme-writing contest during American Education Week.

The members, accompanied by their sponsor, Miss Maria Angela Acevedo, attended the District III meet in Alice.

Selling candy and sponsoring the "Horror House" at the Jolly Jamboree provided the club with its necessary funds.

Art Society Interests Students with Creative Talent

The Art Society members lent their talents in the making of posters and ribbons for various organizations. They also gave a farewell dance for the senior members before graduation. At Christmas, in conjunction with the vocational club, they gave a dance in the auditorium.

To make money the members sold Christmas cards and conducted a dart throwing booth at the Jolly Jamboree in October.

Officers: standing: Hilario Solis, sergeant-at-arms; Jose Vasquez, president; Jose Martinez, reporter; sitting: Obdulia Farias, secretary; Mary Valdez, vice-president.

SLIDE RULE CLUB ENCOURAGES FUTURE ENGINEERS AND SCIENTISTS

The Slide Rule Club joined in the pep-parade downtown before the Tiger-Lanier game. Members inside their decorated cars are Juan Herrera, Juan M. Garcia, Carlos Mejia, Guadalupe Villarreal, Eduardo Martinez, Javier Campos, and Manuel Tijerina.

Slide Rule Club officers work out a hard mathematical problem. They are Manuel Tijerina, Javier Campos, Juan Herrera, Guadalupe Villarreal, and Eduardo Martinez.

Members busy practicing during a regular meeting held every Tuesday after school are Eduardo Martinez, Guadalupe Villarreal, Carlota Guerra, Juan Herrera, Carlos Mejia, Javier Campos, Mike Stern, and Manuel Tijerina.

Honorary members working out math problems with the slide rule are Juan A. Vega, Gloria Palacios, Francisco Molina, Maria De Los Santos, Marta Benavidez, Estela Diaz, and Rafael Herrera.

Miss Refugio Benavides, sponsor of the Slide Rule Club, demonstrates the use of the slide rule. Here she teaches how to calculate a square root. She teaches mathematics.

Officers of the Slide Rule Club are Guadalupe Villarreal, president; Javier Campos, treasurer; Manuel Tijerina, vice-president; Eduardo Martinez, reporter; Juan Herrera, sergeant-at-arms.

Faculty Clubs Entertained with Fall Dinner

To honor the new members of the faculty, the Martin High School Faculty Club entertained with its annual fall dinner party at the Maya Room of the Hamilton Hotel on Wednesday evening, October 29.

The dinner was served buffet style by Mrs. Ralph Barry and Miss Lela McKinley. Mrs. Juan Redin had charge of decorating the table which was covered with gold satin and centered with a large arrangement of gold and yellow chrysanthemums, asters, and autumn leaves, surrounded by chestnuts and fruits.

Besides the school board, former faculty members—Miss Alma Pierce, Miss Mary Frances Doss, and Mr. Frank Schoenberg—attended.

Martin High boasts a number of attractive young teachers. Here Misses Adriana Barrera, Oralia Pena, Minerva Ramon, Elia Montemayor, and Ileana Ramirez (a guest) enjoy watching the crowd.

Little groups chatted with one another in the beautiful Maya Room of the Hamilton Hotel. Here Mrs. Fructuoso Barreda, Mrs. Rojelio Salinas, Mr. Salinas, and Mr. Barreda enjoyed the affair.

Among the board members, who were honored at the dinner, were Mr. and Mrs. Francisco Flores, Mr. and Mrs. C. L. Milton, and Mr. and Mrs. Luis Cardenas.

Leonor Garza and Mickey Sissell add a gay touch to the party with their "Cha-Cha-Cha" dance.

A figure from the Spanish dance, "Granada," is the subject of this picture, showing Gloria Flores, Diamantina Ruiz, Sylvia Salazar, and Elsa Pena. Linda Meade, and Mary Valdez were also in the group of dancers.

The Valls family came in a body to the party. John Valls and Mrs. Valls, Mr. "Tex" Winters and Mrs. Winters, Mrs. Al Valls and Al Valls await the serving of the food.

Miss Delia Westbrook and Mrs. James F. George admired the table decorations.

Mrs. Baird, president of the Faculty Club, stands to the right in the picture, with the Courtesy Committee. Mrs. Henry Wilcox, Miss Zolia de la Garza, and Miss Adele Wildenthal formed a receiving line to welcome the guests.

"Deck the halls with boughs of holly," and other Christmas carols echo through M. H. S. while the Courtesy Service Club girls trim the tree before the holidays. Gloria Palacios, Ellen Bailey, Linda Snow, Duvina Moran, Becky Wilson, Mary Moore, Marta Sanchez and Estela Diaz do their part to make the tree attractive with tinsel and colored balls.

Courtesy Service Club Girls Aid School

Members of the Courtesy Service Club really are busy people, because they are called on to serve the school and community so often. They worked at all games ushering, at the Junior-Senior Prom, the Military Review, Graduation Exercises, and at Civic Music Association concerts. On the social side of the calendar the girls held a spring banquet for graduating seniors at the Maya Room, an informal and a formal initiation in the fall, and a Christmas party at the home of president Linda Snow.

Elaine Wright, outgoing president, congratulates Linda Snow, newly elected president, who served this past year.

Left corner: In the spring of 1958 the Courtesy Service Club gave a formal banquet honoring the graduating seniors. Some of those pictured are Ellen Bailey, Carol Carpenter, Becky Wilson, Fay Flynn, Patsy Mendoza, Rosario Flores, Betty Ann Robbins, Carolyn Calk, Arlean Whitenton, Gwen Goodwin, Elisa Montemayor, Judy Mudd, Linda Snow, and Estela Diaz.

At the head table, centered with a huge Easter bunny and a basket full of Easter eggs, sat Mrs. Blanche Wright, ex-sponsor, Miss Elia Montemayor; Elaine Wright, president, Mrs. R. P. St. John and Principal R. P. St. John, and Mrs. Elizabeth Sorrell, annual sponsor, who took these pictures.

THESPIAN DRAMATIC CLUB SPONSORS SPEECH EVENTS

The Thespian Society of Martin High School is dedicated to the enrichment of a student's cultural background by participation in speech and drama. BENGALS CLAW RED RAIDERS 70-38 FOR DISTRICT 16-AAAA TITLE

Coach Bill Batey and his Martin High School Tigers have done it again. They are the District 16-AAAA king pins after walloping the green Edgewood Red Raiders at the Tiger gymnasium on Feb. 16 to the tune of 70-38.

A capacity crowd was on hand to watch the Bengals claw the visiting Raiders to shreds.

The Tigers thus ended their regular season schedule with an excellent 27-5 mark and a neat 11-1 record in district play.

Their victory was their 23rd straight at home and their 18th in the last 19 games.

First row: Mike Urdiales, Roberto Garcia, Moises Molina, Guillermo Cantu, Gonzalo Molina and Jose Moreno. Second row: Francisco Ibarra, Ernesto Ramirez, Eusebio Castilleja, Hugo Geck, Daniel Rodriguez, and Daniel Casilleja.

TIGERS BEAT AUSTIN'S McCALLUM FOR CHANCE AT STATE TITLE

Little Chalo Molina, displaying his finest performance of the season, gave the Martin High Tigers a berth in the state tourney in Austin by leading the Tigers to a 63-58 thrilling victory over the Austin McCallum Knights at Alamo Stadium Gym on Saturday night February 28.

Behind most of the game, Chalo finally got the Tigers

a 59-57 lead with 3 minutes to play. Molina, who made himself felt as an all-state candidate, hit the hoops for 30 points, the best single game performance by a Tiger this season.

Out rebounded by the taller Knights, the Tigers applied a full court press throughout the game to overcome their deficit.

James Carter (25) of Austin McCallum bangs the ball out of Hugo Geck's (33) outstretched arms during the fourth period action of the Laredo-Austin regional game played at San Antonio's huge Alamo Stadium gym. Chevo Castilleja's (10), Gary McCary (11) of Austin, and Joe Moreno, partially blocked by Geck, look on.

Two thousand, including the Pep Squad, went to San Antonio to witness the game and cheer the Tigers on to victory.

TIGERS WIN TROPHY AT VICTORIA TOURNAMENT

Memo Cantu tries a shot at the basket while Francisco Ibarra comes to the rescue.

The Tigers Basketball Team journeyed to Victoria on December 19, to compete in the Victoria tournament and returned with the winners trophy.

The first game was against Freeport which the Tigers won 54-43.

The second game against Harlandale of San Antonio was a Tiger victory too, by a score of 44-42 in overtime play. Miguel Urdiales scored the six points in the over-time.

The third game against Victoria for the Championship was a Laredo victory by a 56-41 score. "Chalo" Molina was selected to the "all tournament team."

Chevo Castillejas takes the rebound after attempted shot by Moreno.

Mike Urdiales, 44, dumps, a successful reverse lay-up shot as Ernesto Ramirez, 77, watches for a rebound during the decisive game for the district game with Burbank.

A gallant Martin High School Tiger team came from behind on Feb. 7 after trailing Burbank for 10 minutes and 52 seconds to forge ahead and beat the determined Bulldogs 47-42 in the District 16-AAAA game of the year before a full-house at Tiger Gym. It wasn't until 15 seconds left in the third quarter that Chalo Molina put the locals ahead with a free shot after Ernesto Ramirez had tied it up at 33-all with 51 seconds on the scoreboard.

After that, they never trailed.

For Coach Batey's crew the victory practically clinched their fourth conference basketball title in five years.

It was the Bengals' ninth district triumph against one defeat and their 21st straight home-court victory in a string that extends back to November 26, 1957.

Eusebio Castilleja blocks a shot taken by Roger Pena. Joe Moreno comes for the rebound as other members of the team and spectators look on.

TIGERS TRIM TECH
61-43

The sizzling Martin High School Tigers parlayed the accurate shooting of Chalo Molina and Joe Moreno with the rebounding of Chevo Castilleja, Hugo Geck, and Ernesto Ramirez to wallop San Antonio Tech

61-43 at the Tiger gym on January 16, 1959. It was the locals' fourth district victory of the season and the 18th straight home court triumph in a streak extending since December 3, 1958.

Dear Charlie (Chick)
It's really been
fun knowing you these
past three years. I remember
when I first met you I didn't
like you very much. I guess you
remember that too. You made me
mad on purpose. Remember me
always - going swimming, study
hall teacher, and all. Be sweet
and all the luck and happiness
in the world to you.
Love, Ellen

AUTOGRAPHS

"Science need not be confined to laboratories. It is not something that can be used only by men in white coats, wearing goatees, squinting at test tubes and speaking six-syllable words in strange dialect. It may be thought of as organized common sense. . . . Calling it common sense might be a mistake. It is simple sense, but it may not be common. It tends to be very obvious once stated or demonstrated.

"It is reasonable to say that most inventions and advances in our knowledge have been mainly discoveries of the obvious. The wheel, the lever, the safety pin; Mendel's law of heredity, that summarized his experiments in raising peas; Lister's conclusions regarding antiseptic methods—these and a thousand other examples are on the whole a recital of achievements by men and women who looked twice."

"People in Quandries," by Wendell Johnson
