WBEA's "Miss Pocahontas" of 1975

Lucy Karabanoff

..... It is only fitting that we display, proudly, the afore photograph of our own student, Miss Lucy Karabanoff, portraying WBEA's "Miss Pocahontas" of 1975—to pay tribute to our beloved Martin High School in having been bestowed this great honor for the first time in several years.

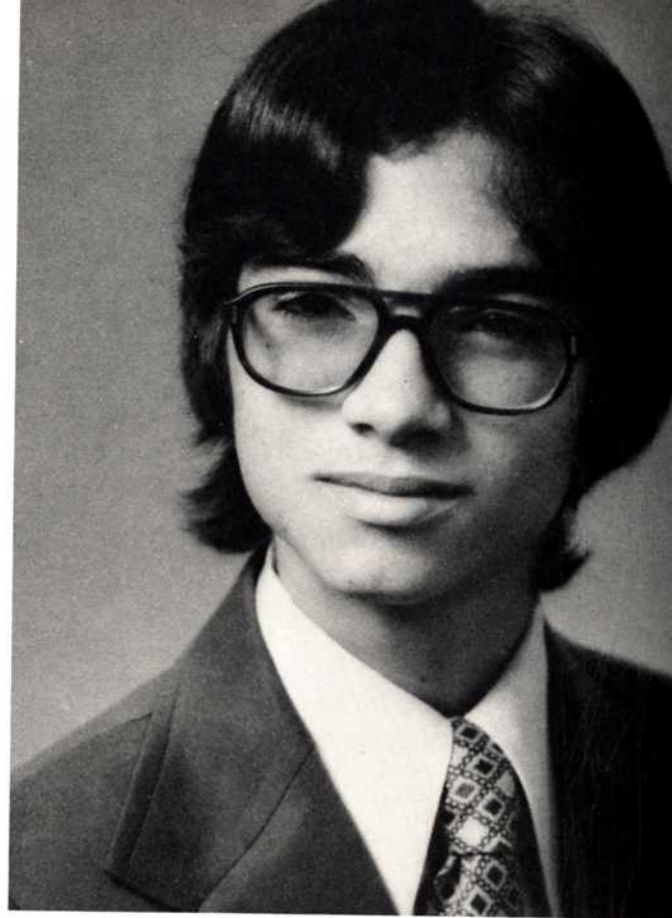

We would like to express deep appreciation to the few who contributed to make this possible in this publication.

Basketball Team Plays Near 500 Season

The Martin Tigers ended the season with an almost .500 mark. Coach Chacon tried his best by using every player with only one standing at six feet. The Tigers did manage to overcome good, tall teams like the United Longhorns. The district race was less impressive as the Tigers managed only a few victories.

One consolation was the fact that we beat cross-town rival Nixon five times during the season. Tomas Trevino and Luduvico Martinez were named to the all-district team.

If you choose the Marines, maybe you'll choose Military Police, too.

The Marine Corps believes that every young man wants to point himself in the right direction—toward the kind of work that will suit him best, the kind of skills that will stick with him for life.

So if you've got what it takes to be a Marine, and you can qualify for our new option programs, we'll let you choose the right direction. If it's military police and corrections, you'll be on your way as soon as you complete recruit training.

There's also combat arms, aircraft maintenance, electronics, motor transport . . . and many other directions you can go. Come in and look over the list. You tell us what you're interested in. We'll tell you if we can get you there.

**We're looking
